Dear [REDACTED] 25X1A

25X1A

I have not had an opportunity to talk personally to [REDACTED] since his return. However, [REDACTED] informs me that through his conversations with [REDACTED] he knows that you feel the housing situation at [REDACTED] is going to be very critical, and you desire some assistance from our office in this matter. [REDACTED] gave no suggestion as to what we might do to assist you.

I think we all recognize that wherever, and whenever, we move any of these field installations solving the housing difficulties for our staff is going to be a major problem, and I assure you that we are more than anxious to do anything we possibly can to assist you. However, I must admit that at the present time I do not know what to do. If you have any suggestion as to how we here in Washington might in any way help you solve this problem I should greatly appreciate your suggestions at your earliest convenience.

Sincerely,

25X1A
